### **DISCLOSEABLE TRANSACTION PURCHASE OF WIND POWER EQUIPMENT**

#### **PURCHASE CONTRACT**

The Board is pleased to announce that after trading hour on 16 November 2021, the Purchaser (being a wholly-owned subsidiary of the Company) entered into the Purchase Contract with the Supplier, pursuant to which the Purchaser shall purchase the Wind Power Equipment from the Supplier at the Consideration.

#### **LISTING RULES IMPLICATIONS**

The highest Applicable Percentage Ratio for the Transaction is less than 5%. As the Previous Purchase Contracts were entered into within a 12-month period before the date of the Purchase Contract, the transactions contemplated under the Purchase Contract and the Previous Purchase Contracts shall be aggregated under Chapter 14 of the Listing Rules resulting in a highest Applicable Percentage Ratio on an aggregated basis exceeds 5% but is less than 25%. Hence, the Transaction is required to be reclassified by aggregating with the Previous Purchase Contracts resulting in the Transaction constituting a discloseable transaction for the Company under Chapter 14 of the Listing Rules and is thus subject to the notification and publication requirements under Chapter 14 of the Listing Rules.

#### **INTRODUCTION**

The Board is pleased to announce that after trading hour on 16 November 2021, the Purchaser (being a wholly-owned subsidiary of the Company) entered into the Purchase Contract with the Supplier, pursuant to which the Purchaser shall purchase the Wind Power Equipment from the Supplier at the Consideration.

## PURCHASE CONTRACT

The principal terms of the Purchase Contract are as follows:

- Date : 16 November 2021
- Parties : (i) the Purchaser as the purchaser; and  
(ii) the Supplier as the supplier.
- Assets to be purchased : The Wind Power Equipment to be used for the Wind Power Project.
- Consideration : The Consideration payable by the Purchaser to the Supplier for the purchase of the Wind Power Equipment is approximately RMB113.04 million (approximately HK\$137.85 million). The Consideration also includes, among other things, fees for technical services, technical documentation, delivery and insurance charges, and other miscellaneous charges.
- The Consideration was agreed after arm's length negotiation between the Purchaser and the Supplier with reference to the market price of the major equipment and components of the Wind Power Equipment.
- Payment terms : The Consideration shall be paid by the Purchaser by five instalments in the following manner based on the stages of completion of the Purchase Contract:
- (a) Advance payment: 10% of the Consideration shall be paid within 25 days after the Supplier having provided the Performance Guarantee mentioned below to the Purchaser;
  - (b) Pre-delivery payment: 20% of the Consideration shall be paid within 25 days after the Supplier having provided to the Purchaser the purchase contracts of the major component of the Wind Power Equipment and the delivery arrival schedule for the Wind Power Equipment;

- (c) Delivery progress payment: 35% of the Consideration shall be paid within 25 days after the Supplier having provided certain supporting documents to the Purchaser in respect of the delivery of the Wind Power Equipment;
- (d) Pre-inspection payment: 25% of the Consideration shall be paid within 25 days after the Wind Power Equipment having passed the pre-inspection as specified in the Purchase Contract; and
- (e) Warranty payment: 10% of the Consideration shall be paid within 40 days after the Wind Power Equipment having passed the final inspection as specified in the Purchase Contract.

It is expected that all the Wind Power Equipment shall be delivered to the Purchaser before 15 June 2022. The Consideration shall be payable in cash, which will be financed by internal resources and/or borrowings of the Group.

Performance guarantee and warranty : Within 15 days from the date of the Purchase Contract, the Supplier shall provide an irrevocable performance guarantee (the “**Performance Guarantee**”) for an amount equal to 10% of the Consideration issued by a bank (which is an independent third party) in favour of the Purchaser to secure the Supplier’s due performance of its obligations under the Purchase Contract. The Performance Guarantee shall lapse on the first day of the warranty period of the Wind Power Equipment.

The Supplier will provide a warranty period of five years in respect of the Wind Power Equipment.

## **INFORMATION OF THE PARTIES TO THE PURCHASE CONTRACT**

The Company is an investment holding company. The Group is principally engaged in (i) investing in wind and solar power projects; and (ii) offering professional technical services and integrated solutions to the wind and solar power generation projects.

The Purchaser is a wholly-owned subsidiary of the Company and is principally engaged in the trading of equipment for new energy.

The Supplier is principally engaged in the research, development and supply of wind power equipment in the PRC. Insofar as the Company is aware, the Supplier is beneficially owned as to 40% by the State Council of the PRC government, as to 30% by Guodian Technology & Environment Group Corporation Limited (a company listed in Hong Kong with stock code: 1296) and as to 30% by China Longyuan Power Group Corporation Limited (a company listed in Hong Kong with stock code: 916).

To the best of the Directors' knowledge, information and belief after having made all reasonable enquiries, the Supplier and its ultimate beneficial owners are third parties independent of the Company and its connected persons.

## **REASONS FOR AND BENEFIT OF THE TRANSACTION**

It is in the ordinary and usual course of business of the Group to build wind power plants in the PRC, including the Wind Power Project. The Wind Power Equipment to be acquired will be used for the Wind Power Project.

The Group evaluated the terms of the Purchase Contract based on, among other factors, the specifications and needs of the Wind Power Project, the credentials and experience of the Supplier, the quality of the products and the services, the products warranty and the terms offered by other suppliers to the Group. The Directors consider that the terms of the Purchase Contract are on normal commercial terms, fair and reasonable, and in the interests of the Company and its shareholders as a whole.

## **PREVIOUS PURCHASE CONTRACTS**

On 9 April 2021, the Purchaser and the Supplier entered into two purchase contracts (the “**Previous Purchase Contracts**”) based on the same material terms of the Purchase Contract, pursuant to which the Purchaser shall purchase from the Supplier (i) the wind power equipment comprising wind turbines and ancillary equipment with a total power output capacity of 48 MW for the Group's wind power project situated in Jianghua Yao Autonomous County, Yongzhou City, Hunan Province, the PRC (中國湖南省永州市江華瑤族自治縣) at a purchase price of approximately RMB143.85 million (approximately HK\$175.43 million); and (ii) the wind power equipment comprising wind turbines and ancillary equipment with a total power output capacity of

19.2 MW for the Group's wind power project situated in Fanshi County, Xinzhou City, Shanxi Province, the PRC (中國山西省忻州市繁峙縣) at a purchase price of approximately RMB57.52 million (approximately HK\$70.15 million). The said two purchase prices also include fees for technical services, technical documentation, delivery and insurance charges, and other miscellaneous charges.

## **LISTING RULES IMPLICATIONS**

The highest Applicable Percentage Ratio for the Transaction is less than 5%. The highest Applicable Percentage Ratio for the Previous Purchase Contracts on an aggregated basis is less than 5%. As the Previous Purchase Contracts were entered into within a 12-month period before the date of the Purchase Contract, the transactions contemplated under the Purchase Contract and the Previous Purchase Contracts shall be aggregated under Chapter 14 of the Listing Rules resulting in a highest Applicable Percentage Ratio on an aggregated basis exceeds 5% but is less than 25%. Hence, the Transaction is required to be reclassified by aggregating with the Previous Purchase Contracts resulting in the Transaction constituting a discloseable transaction for the Company under Chapter 14 of the Listing Rules and is thus subject to the notification and publication requirements under Chapter 14 of the Listing Rules.
